The counties of Sedgwick, Sumner, Cowley and Butler comprise an area of the best agricultural land west of the

Mississippi valley. The Arkansas river runs diagonally through the countles named, forming of itself an extensive valler ranging from seven to twelve miles in width. Other streams of less magnitude, such as the Little Arkaneas, valley ranging from Nenescale, Walnut and Whitewater rivers, Slate, Bluff, Spring, Gypeum, Chisholm and Cowskin creeks, diversify the country with fertile valleys. The soil of the valley and uplands is a rich sande leam, several feet in depth. Vegetafron of all kinds is unsurpassed. Climate temperate, equable and healthy. Thousands of acres of land are open to tion of all kinds under the pre-emption laws for the sale of the Osage Indian lands, which are unsurpassed in fertility lumny settlement under the pre-cap settlement under the part can cheap homes be purchased with all the advantages of good soil, climate and water. Our people are enterprising, and made up of the go-shead and best classes from the east, and in point of culture and society, are equal to any of the older communities of other states. The young and growing city of Wichl culture and society, are spin of 2,000 inhabitants, and properly called the Queen City of the West, presents himsat uncqualed inducements for money investments to all business enterprises, and more especially to manufactories.
